**C**annonball formed some years back when Singer / Guitarist Matt Pukach and Bassist Sean Bowman bonded over a shared love of Southern California reggae bands - most notably, Sublime. After an initial run of success, Cannonball expanded their sound with the addition of vocalist Allie Peters. With Allie's dynamic voice in the fold, Cannonball spent the next several years developing into one of the Valley's best live acts. Cannonball then expanded their line-up once again, adding guitarist Joe Johnson and drummer Bryan Hawkesworth. The addition of these two seasoned musicians ensures Cannonball can cover a seemingly endless expanse of musical territory.

With an ever evolving setlist that includes the best of the 60's through today, Cannonball has over four hours of music. Our setlist features artists as diverse as The Beatles, No Doubt, Nirvana, Chris Stapleton, Stone Temple Pilots, Janis Joplin, Fleetwood Mac, The Cure, Weezer, Tom Petty and many more.

Cannonball has played to large crowds all over the Valley including: The Dubliner, Azool's Grill, Copper Blues Downtown, State 48 Rockhouse, State 48 Brewery, iL Asilo Restaurant and Bar, Aunt Chiladas, The Valley Ho Hotel, Padre Murhpy's, Moon Valley Grill, 1227 Tap Room, Lakeside Bar and Grill, The Womack, Connolly's, The Dirty Burro and well as multiple private events and parties.

Cannonball is fully equipped with professional grade gear / sound system and is ready to entertain your venue or event with an energetic and entertaining live show.
